C. REMARKS**1. Summary of the Claims**

Independent claims 1, 8, and 14 have been amended, and claims 3, 10, and 16 have been canceled. Claims 1, 5, 7-8, 11, 13-14, 18, and 20-27 are currently pending in the Application, and claims 1, 8, 14, and 27 are independent claims.

2. Allowable Subject Matter

Claim 27 is allowed. Claims 3, 10, 16, and 21-26 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

In order to expedite prosecution of the present Application, Applicants have amended independent claim 1 to include the limitations previously found in dependent claim 3, and have canceled claim 3. Similarly, Applicants have amended independent claims 8 and 14 to include the limitations previously found in dependent claims 10 and 16 respectively, and have canceled claims 10 and 16. Applicants respectfully submit that independent claims 1, 8, and 14, and the claims which depend from them are allowable, and respectfully request that they be allowed.
